Meadowbrook College is an Alternative Provision (AP) Academy located across four sites in Oxfordshire: Banbury, Oxford, Kidlington and Abingdon, supporting students who have either been excluded or are at risk of exclusion from school. The Academy offers students a unique approach based on a thematic curriculum which in addition to literacy and numeracy offers a wide range of enrichment experiences and opportunities for learning.

This is an exciting opportunity for someone with the ability to inspire and motivate students who have been permanently excluded from school or finding it difficult to manage their behaviour. This is a unique opportunity to make a substantial contribution to further improving outcomes for a significant group of vulnerable and challenging young learners and to help shape provision across the College and in partner schools through an outreach model.

We wish to appoint someone who is/has:

- An inspirational teacher, with strong interpersonal and motivational skills and an excellent track record of delivering excellence in the classroom
- High quality organisation and self-management skills
- Not afraid of a challenge and have strong, restorative behaviour management skills
- Creative and innovative with an ability to translate ideas into practice
- Resilient and has a passion for achieving the best possible outcomes for our vulnerable learners.

Why work at Meadowbrook College?

- Meadowbrook College staff are both professional and resilient. There is a “can do” attitude that makes a real difference to the lives of our students; many of whom have become disengaged with education and lost the confidence to achieve their full potential
- We offer a variety of opportunities for ongoing professional development for all staff
- We are working in an ever-changing and expanding educational climate where the need for alternative provision solutions is increasing. Our provision is always adapting and new opportunities are always evolving.
