

We have the following vacancy for September 2021 or earlier start:

Primary Teacher

Contract Type: Permanent

Contract Term: Full time

Salary: MPS/UPS + SEN 1 (£25,714 to £41,604 + SEN 1 £2,270)

Are you energetic, enthusiastic, resilient and able to use your initiative?

Are you an excellent teacher with a passion for achieving the best outcomes for learners at risk of permanent exclusion and those with complex needs?

Can you build positive relationships with young people and make a difference?

Meadowbrook College is an Alternative Provision (AP) Academy located across four sites in Oxfordshire: Banbury, Oxford, Kidlington and Abingdon, supporting primary pupils who have either been excluded or are at risk of exclusion from school. Pupils come to us from year 1 to 6. The Academy offers pupils a unique approach based on a thematic curriculum which in addition to literacy and numeracy offers a wide range of enrichment experiences and opportunities for learning.

We are seeking to recruit a talented and skilled KS1/2 Primary Teacher. This is an exciting opportunity for someone with the ability to inspire and motivate pupils who have been permanently excluded from school or finding it difficult to manage their behaviour. This is a unique opportunity to make a substantial contribution to further improving outcomes for a significant group of vulnerable and challenging young learners and to help shape provision across the College and in partner schools through an outreach model. Our primary provision is about to grow and we anticipate we will need to be creative with our offer. There may be opportunity for a suitable candidate to take responsibility for a particular area of that provision.

We are looking for applicants who are willing to work mainly on our Oxford site but you may be required to travel to or work at our Banbury base from time to time.

We wish to appoint someone who:

- Is an inspirational teacher, with strong interpersonal and motivational skills and an excellent track record of delivering excellence in the classroom
- Has high quality organisation and self-management skills
- Is not afraid of a challenge and have strong, restorative, behaviour management skills
- Is creative and innovative with an ability to translate ideas into practice
- Is resilient and has a passion for achieving the best possible outcomes for our vulnerable learners.
