

POST 16 CHOICES

POST 16 CHOICES

How our careers programme of activities prepares students for the world of work.

Within our curriculum we offer NCFE Employability Skills.

A Qualification to help students'

- Develop and enhance skills required for the working environment.
- Develop students' confidence for employment and motivation.
- Improve communication skills and personal effectiveness.
- Provide basis for further study.
- CV writing, completing applications forms, mock interviews

Other activities that prepare our students' for leaving school.

- Work Experience
- College and post 16 trainers
- Assemblies
- Visit work placements
- 1-1 Guidance from JobCentre Plus, and Careers advisor
- Attend Careers fests
- Vocational Courses- Construction, Hair and Beauty, Hospitality, Photography.

POST 16 CHOICES

All students have the opportunity to work with our careers lead, key teachers and our regular host Schools' adviser Tracey Rogers from JobCentre Plus for career guidance and tools they need to prepare for their next destination.

All year 11's are made an appointment to see a level 7 qualified careers Advisor to device an action plan to help them determine what are their best options, whether it be further education, post 16 training, apprenticeship or work.

Click on the link below for an overview of options available https://youtu.be/f_xAQNNi4pA

To ensure staff are equipped to support our students' We as a school are apart of a steering group, this is where Local schools gather to gain updated information on the Local Labour Market and share knowledge and good practice, Led by OXLEP Enterprise.
